

September Event Highlights

9/8 Salon Day

The ladies certainly did get pampered at Kimberley's salon! Hair done, and whatever else ladies get done in those places. Donuts and coffee and lots of laughs. Thanks go the good folks at Kimberley's for making our ladies feel so special and to our volunteers for their great assistance!

9/11 Picnic with Rick and Friends

The weather was perfect at the pavilion at Wright's Landing. Dinosaur Barbeque was sublime with more than enough to stuff us all. And the company was the best! Thanks Rick for this treat!

9/12 Sr. Camping at Camp Hollis

It was a beautiful day to enjoy some fresh air in the country and to spend time with our friends at Sr. Camping. Thanks to all our volunteers for joining us.

9/21 China Buffet

We had planned on going to Rudy's for our lunch but they closed for the season! We still had a great time with our friends from Integrity and plenty of choices from the buffet. Thanks so much for the treat Linda! Thank you Marie, Mary and Carol!

Let's get physical!

We realize that the weather will be getting colder making it harder for the ladies to sit on the porch or walk around the courtyard. We will be offering more exercise through our days. More physical activity means better balance (less falls), circulation improves as does the mood. Feel free to join us as we get our 'groove' on!

Special Thanks

We would like to thank Linda Thomas-Caster for our trip to China Buffet. The outing with Linda and her cohorts is one of our favorites and she generously sponsors the trip twice in the summer usually to Rudy's. We were a little disappointed we couldn't go this trip- we are already looking forward to next year at Rudy's!

We would like to thank Mary Dirk for her close to ten years of dedication to the ladies. The Home is very quiet without her! Mandy Horning will have a big job filling her shoes and is excited about our program. Mandy has been an RCA at the Home and is very familiar with our ladies and our activity program. Welcome!

Flu and Colds

We are entering the flu and cold season. Please do not come into the Home if you are feeling under the weather. You will find hand sanitizer throughout the building. Please feel free to use them as you enter and exit the building, keeping our ladies and yourself safer. We are planning our regular Flu Clinic at the Home through Public Health. Residents and staff will be able to get immunized right here at the Home.

Save The Date

We know it's a little early but the holidays are surely approaching- we can hear sleigh bells in the distance. Please save the date to join us for our Christmas Celebration Sunday, December 11 at 3pm for an early supper, cookies and chatting. It is our favorite time of year and we like to gather those near and dear to us, the more the merrier.

Entertainers for October

- 10/5 Blair Frodelius (singer)
- 10/7 Betty Johnson (piano)
- 10/11 B J Hughs (piano)
