

December '09/January '10 Event Highlights

12/25 Christmas Welcome

We all had a great time baking the cookies for this event and would like to thank Pat our Communion lady for spending a little extra time on her holiday with our ladies. Also, thank you Cynthia for making sure our ladies received their gifts on Christmas morning.

12/31 New Year's Eve Game Night

Every year we stay up a little longer enjoying food and games as we watch the year pass away. Even those that go to bed early stayed and had a great time. Thanks for joining us Brenda, Megan and Tim!

1/6 Canale's

It was great to see that the weather cooperated for this outing. The staff was cheerful and accommodating. We were so full that we could not have even found room for 'Jell-O'. Thank you for joining us: Denise, Linda, Virginia and Carol.

1/10 Mid Winter Tea

The temperature was low but the spirits were high as everyone enjoyed hot tea, sweets and the company of friends. Our own Grace Raes read a story to an enthralled audience. Thank you Jean, Beth, Grace, Meghan, Erin and Devon.

1/16 Big M Take-Out

We all enjoyed some good old-fashioned chicken potpie. As we ate we reminisced about our mothers and grandmothers spending endless hours cooking comfort food for their loved ones. Thank you Kristy, Melissa and Tim for your service and smiles.

SPECIAL THANKS 138th BIRTHDAY!

February 14th is the Home's 138th Birthday and we're still going strong! Here's to another 138 years of caring and love for all the great ladies that have filled our rooms with love and laughter and to all those incredibly kind care givers who ensure their comfort and safety.

We have had 138 years of dedicated volunteers; our Directors, Advisory Council' Auxiliary, family and community members; who add so much to this wonderful Home. Each year we get better and better at what we do. How time flies when you're having fun!

The ladies will celebrate the Home's birthday on the 14th with a special dinner and a cake from our own 'Kristy in the Kitchen'.

COMMERCIAL UPDATE

We have heard that our commercial will be airing on News Channel 10, Lifetime and Bravo channels sometime in the near future. Thanks once again to our beautiful actresses!

SANITIZER

Please do not come into the Home if you are ill or have been around those who are. **You will find hand sanitizer throughout the building.** Please use them as you enter and exit the building, keeping our ladies and yourself in top-notch health.

SLUSH

With snow and slush come wet floors and slip hazards. We try to keep our entries clear but no matter how hard we try, we still need your help preventing falls. We have seen a few of our regular visitors bring their slippers when they visit or leave their boots at the door. We truly appreciate your efforts!
