## HAPPY 140<sup>th</sup> BIRTHDAY!

The Ladies' Home is celebrating its 140<sup>th</sup> birthday on Valentine's Day! How fitting that the founding mothers of this gracious manor chose to incorporate on a day dedicated to love as that is exactly what this home is based; the love of caring for our wonderful ladies. How blessed are we to be able to continue their mission?!

The Home will celebrate her birthday quietly with those she loves.

## Donations

The Activities Department Has come up with a way to help the ladies home replace some of our old and outdated holiday decorations as well as replacing the items in our salon to make our ladies more comfortable while they are getting 'beautified' by starting a **can and bottle drive**. Anyone who would like to donate their cans and bottles can drop them off at the Great Lake Redemption Center located across from Garafolo's right here in Oswego. We also are accepting any cash donations as well.
