

May/June '09 Event Highlights

5/30 Bowling & Pizza

We had a wonderful time both on the lanes and off. After bowling we 'split' pizza and shared some fun. Some of us even got up to learn a few new dance steps. Thanks to Kathy, Carol, the teens and their chaperones of North Country Christian Church.

6/8 Camp Hollis Sr. Camping

This is one of those outing that some are not sure they'd like to attend but come away saying what a great time they had. It is always great to get away for a little fresh air and enjoy time spent with friends. Thanks to Doris, Joyce, Ellie and Donna.

6/13 Name That Tune

Our residents enjoyed Mary Ellen's visit and we hope to have her back some time soon. Thanks to Virginia and anyone else who was able to join the ladies.

6/17 Lunch at Mimi's

With all the great weather spring brings we were ready for a drive in the country. Our driver was gracious and took us on a scenic drive. It made the food taste all the better! Thanks to Denise, Virginia, Linda and Gloria (& our driver).

That Extra Step

We would like to personally thank all of our volunteers and entertainers for adjusting their lives and programs to accommodate our recent renovations. The ladies look forward to your time and visits; you did not disappoint but rather showed them how much you truly care.

RENOVATION

Summer is certainly the time to spruce up a home and we are no strangers to doing just that. We have started our window renovation project made possible by a grant through Community Development so you will see more workers in the Home. The attic and tower windows will be repaired and storm windows will be installed. The entire service wing windows will also be addressed. French Construction was awarded the bid.

Also in the works is an accessibility grant. Hopefully we will be getting direct access to the sunroom and courtyard from the dining room through an existing window as well as higher commodes, grab bars and self opening exterior doors with these funds.

We are inspecting our ceilings and found one that will be replaced in the near future. We will continue our regular inspections to assure the safety and comfort of our residents.
