

July '09 Event Highlights

7/8 Lunch at Rudy's

It was apparent that our two waitresses, Carol Livesey & her sister Jean really enjoyed serving us; thanks ladies!! Thanks Jean, Denise, Donna & Charlene!!

7/11 Family Picnic

The food was delicious and the company heart warming. It was great to see everyone pitch in to make this event a success!!! Thanks to Bette, Arlene, Lee Ann, Pat, Kristy, Tyler and all of our angels who served.

7/15 King Arthur's

As always the 'folks' at King Arthur's treat us like 'royalty'. They are so kind to open up the restaurant just for us!! Thanks Carol & Harrison.

7/19 Tupperware Party

We had a good time seeing all the latest Tupperware. We want to thank everyone that helped us 'earn' some new containers for our kitchen here at the Ladies' Home.

7/24 The Lock Restaurant

The food was scrumptious and the company so engaging that it seemed time just got away from us. Thank you Carol for treating us to lunch and thank you Jean for helping out!!

7/26 Harborfest Senior Concert

The day was a little warm but we were treated to ice cream, cold juice and 'swinging music'. Thanks Ellie, Carol, Nancy, Jean and Tim.

7/29 The Port City Diner

The food is great but you may want to order your dessert ahead of time, it goes fast! Thanks Jean, Denise and Montse.

HOUSEHOLD UPDATE

Our window renovation project is underway so you may have seen scaffolds and ladders around. The renovation is made possible by a grant through Community Development. The attic and tower windows will be repaired and new storm windows will be installed. The entire service wing windows are also being addressed. This should help with our energy savings this winter. Resident windows were addressed in a previous grant.

The ceiling in the front first floor bedroom has been replaced and the room is being painted. Paint colors for the parlors are being considered as the carpet has changed. The courtyard ramp and porch deck have been spruced up. The courtyard garden is lovely. Please take a moment to smell the roses!

We had our annual observed evacuation drill with the fire department. Once again staff and residents were complimented on their quick action, the Home was evacuated in less than four minutes. The fire department also did their annual fire and safety inspection and we were graded A+. The house is free of clutter and in good shape.

FAMILY PICNIC

The rain held off just long enough for us to gulp down our barbeque chicken, salt potatoes and strawberry short cake. It was a shame that we needed to cut our visit short to batten down the hatches for the strong winds that were expected. It was nice to see that several family members continued visits in the dry indoors.

It is one of our favorite events made even more special with those we love with us.
