

August '09 Event Highlights

8/7 Ice Cream Sundae Party

The rumor is that the staff from Mom & Pop's had 'as good a time' or better than the ladies of the Home. So good a time, they are asking to come back!! Thanks ladies.

8/9 Annual Tea Fundraiser

The day turned out to be lovely and the ladies had a wonderful time. The food was phenomenal, the company warm and the conversation engaging. Thank you Ladies of the Advisory.

8/14 Red Hat Tea

It was a 'most' delicious afternoon! The conversation is always lively as we select and relish our choice of delicacies. Thank you Pam.

8/19 Sweet Inspirations

The folks at Sweet Inspirations out did themselves this time. Not only did they take out orders without a slip, they delivered them in record time. This saved us plenty of time for us to relax and enjoy some 'sweet' dessert! Thanks Denise, Gloria and Carol.

8/21 Root Beer Floats

It was such a warm month that we decided to add a few cool treats to the agenda. We spent the afternoon reminiscing about old television programs while we sipped some creamy and cold root beer floats. Yum!! Thanks Pat!

Garden Helpers Needed

We continue to need a little help in keeping our garden well watered. If you can spare an hour we would appreciate the hand.

TEA IN GARDEN

Our beautiful courtyard garden was designed by and is cared for by volunteers. All the planting, weeding and watering is done by a variety of people who donate their time and expertise to give our residents a tranquil and cool respite during the hot summer days.

The Advisory Council held their 'Tea in the Garden' in the Ladies Home garden that was in pristine condition and loaded with flowers. The sound of central fountain and live piano and vocals mixed perfectly. Small tables were placed under tents and each held flawless pressed linens, a unique flower arrangement and of course- teacups! The Council passed finger sandwiches and sweets from silver trays and poured tea from china teapots for expectant guests. There is something just so special about sharing tea in a beautiful garden. Thank you, Advisory Council and staff of the Home for such a wonderful, serene treat.

Please consider spending a little time in the garden. Bring your children, grandchildren, family and pets to enjoy this wonderful space with our residents. Feel free to grab a hose and water.

SUNROOM

Our sunroom is available for families to use for visits with our residents. With the days getting cooler, it may be wise to call to make sure others aren't using it before you make plans. Some families are already taking advantage of this bright and comfortable space. Card games and cozy family meals have already been seen there.
