

July/August Event Highlights

7/29 Harborfest Senior Concert

The wet weather stepped aside so that we could enjoy the sound of big band with a few good friends. It was topped off with a dish of cool and delicious ice cream. Thank you Diana, Jean, Virginia and Ellie for joining us!!

8/10 Mid-China Buffet

The weather was a little damp but we made it between the raindrops. We all found our favorite choices and topped it off with a trip to the ice cream buffet. Thank you Jean, Diana and Donna for joining us.

8/17 Picnic on the Porch

It was a beautiful day with plenty of sunshine. Thanks to Marie, Tiffany and rest of our dietary staff, the food was delicious. We topped everything off with sweet and juicy watermelon. Thank you Virginia, Carol and Darlene for helping out.

Weekend Programs

As the cooler weather approaches the ladies spend less time outside. They are always looking for something to do on a quiet Saturday or Sunday. If you have a little time on your hands, the ladies would love to fill it for you. It could be a game of cards, a walk around the courtyard (weather permitting), working on a jigsaw puzzle, a visit with your kids, grandkids or pet, a game on the Wii, or a cup of tea (etc.). You will be amazed at what a great time you will have. We can put you on the monthly calendar or give us a call so we can make sure the ladies are ready for you when you arrive. Call at 343-6951 or email at mdirk@theladieshome.org

SPECIAL THANKS

A good fairy stopped by with wonderful walker bags full of goodies for our ladies. The person delivering them forgot to give her name but we sure would like to thank her for all her hard work and thoughtfulness! THANK YOU!

A special thanks goes to our terrific staff! Three RCA's have been putting a lot of time in to cover 168 hours a week. Not a gripe or whimper either. You guys ROCK! Thanks!

SERV SAFE

ServSafe certification assures that all rules for safe food handling are being met at the Home. We will now have two staff members who are ServSafe certified. Marie Parsons and now Tiffany Johnston, cook, has taken the ServSafe class. Tiffany drove all the way to Corning NY and back for the eight hour review. Thanks Tiffany, for taking the time to get the nitty gritty on safe food handling. Both are eager to share the information with fellow staff.

SAVE THE DATE

We know it's early but we also know how quickly holiday calendars fill up. Please save **Sunday, December 11 at 3pm** for our Annual Christmas Party. A light dinner is served, cookies and lots of chatting as well as seeing what Santa's elves have left under our tree. Please plan on coming- more the merrier!

TABBY/ TABITHA

Our seventeen year old Tabby Cat passed away last week. His many years of faithful service will be missed. Carol Rutledge helped us fill his shoes with a new Tabitha from OCWAL. Tabitha is a grey short haired tabby cat. She is very well behaved unless there is a thunderstorm!
